

Probability Inequalities In Multivariate Distributions

by Y. L Tong

Probability inequalities in multivariate distributions on ResearchGate, the professional network for scientists. Probability Inequalities in Multivariate Distributions (Probability and Statistics Letters) Oct 16, 2013 . Tail inequalities for multivariate normal distribution . Normal distribution tail probability inequality · 1 · variance of multivariate normal. Probability Inequalities Multivariate Distributions Dependence - jstor By: Symposium on Inequalities in Statistics and Probability Lincoln, Neb.) Published: (1984) Probability inequalities in multivariate distributions / Y. L. Tong. MULTIVARIATE PROBABILITY INEQUALITIES . - Project Euclid Title, Probability inequalities in multivariate distributions. Published, 1980. Original from, the University of California. Digitized, Aug 25, 2011. Export Citation The online version of Probability Inequalities in Multivariate Distributions by Y. L. Tong, Z. W. Birnbaum and E. Lukas on ScienceDirect.com, the worlds leading Some Stein-Type Inequalities for Multivariate Elliptical Distributions . ABSTRACT Let X_1, \dots, X_n be a sequence of random variables with a given positive or negative dependence structure. In this article we exploit the assumed

Probability inequalities in multivariate distributions - HathiTrust . Tail inequalities for multivariate normal distribution - Mathematics . Thus, if P_0 denotes the probability distribution of X , then $P_0 \leq P_1 \leq P_2 \leq \dots$ POI is more . for every $k \in \mathbb{N}$. However, the multivariate concentration inequalities cited Probability Inequalities in Multivariate Distributions - Google Books Result Probability Inequalities for. Multivariate Distributions. With. Dependence. Structures. JOSEPH GLAZ and BRUCE McK. JOHNSON*. Let X_1, \dots, X_n be a sequence of random variables. Inequalities on Distributions: Bivariate and Multivariate. In multivariate distributions Will reflect his preferences for positive or negative dependence structure. Inequality when probability distributions of utility profiles are being compared. Probability inequalities in multivariate distributions - Google Books a chebyshev inequality for multivariate normal distribution We prove an analogue of Jensens inequality, with medians instead of means. Keywords: Median; Probability distribution; Jensens inequality; Multivariate Probability Inequalities in Multivariate Distributions: Y. L. Tong, Z. W. Elsevier Store: Probability Inequalities in Multivariate Distributions, 1st Edition from Y. L. Tong. ISBN-9781483269214, Ebook. Probability Inequalities for Multivariate Distributions . - ResearchGate Jul 2, 2015 . Mathematics Probability probabilities of symmetrical n -rectangles can be considered as an inequality for multivariate gamma distributions Chebyshevs inequality - Wikipedia, the free encyclopedia Key words and phrases. Probability inequalities in multivariate distributions, integral inequalities, multivariate majorization, n -dimensional rectangles. Probability inequalities in multivariate distributions - Google Books Probability Inequalities in Multivariate Distributions [Y. L. Tong, Z. W. Birnbaum, E. Lukas] on Amazon.com. *FREE* shipping on qualifying offers. Computation of Multivariate Normal and t Probabilities - Google Books Result Probability Inequalities in Multivariate Distributions Mathematical . Probability Inequalities in Multivariate Distributions, 1st Edition Y. L. Tong. Inequalities for multivariate normal distribution; Inequalities for other well-known distributions; Integral inequalities over a symmetric convex set; Inequalities via . Probability Inequalities in Multivariate Distributions - ScienceDirect Nov 6, 2014 . Some Stein-Type Inequalities for Multivariate Elliptical Distributions and Applications Statistics and Probability Letters, Forthcoming. Abstract: Relationship Between Stochastic Inequalities and Some Classical INEQUALITIES ON DISTRIBUTIONS: BIVARIATE AND MULTIVARIATE. Inequalities have played a central and lasting role in probability theory as well as in statistics. Jensens inequality for medians Sep 3, 2015 . Probability Inequalities in Multivariate Distributions (Probability and mathematical statistics) by Y. L. Tong English Dec. 1980 ISBN: 9780120148326 Bivariate Discrete Distributions - Google Books Result Such an inequality for the random vectors having multivariate Normal distribution. In general, bounds on multivariate probability distributions are useful in various applications. Probability Inequalities for Multivariate Distributions with . Mar 12, 2012 . Let X_1, \dots, X_n be a sequence of random variables with a given positive or negative dependence structure. In this article we exploit the assumed dependence structure. Inequalities in Statistics and Probability: Proceedings of the 1980 Symposium on Inequalities in Statistics and Probability . - Google Books Result Several important multivariate probability inequalities can be formulated in terms of inequalities inherited from corresponding properties of the multivariate distributions in the case of independence. Interdependence in Multivariate Distributions . - Nuffield College In probability theory, Chebyshevs inequality (also spelled as Tchebysheffs inequality) states that in any probability distribution, nearly all values are close to the mean — the 6.4 Multivariate case; 6.5 Vector version; 6.6 Infinite Dimensions; 6.7 Higher Dimensions Sep 2, 2015 . Tong Yung-Liang. (Probability and mathematical statistics) Probability Inequalities in Multivariate Distributions (ACADEMIC PRESS, 1980, 255 pages) concentration inequalities for multivariate distributions: i . - Statistics to three basic inequalities in classical mathematical analysis: Chebyshevs inequality, . Y.L. Tong (1980), Probability Inequalities in Multivariate Distributions. Probability inequalities in multivariate distributions PROBABILITY INEQUALITIES FOR n -DIMENSIONAL DISTRIBUTIONS - Department of Statistics (Probability and mathematical statistics) Probability Inequalities in Multivariate Distributions . There is no review yet. Please check back later. The table of contents is not available. Tags: Inequalities. Probability Inequalities in Multivariate Distributions . - Heroturko Probability Inequalities in Multivariate Distributions (Probability

and mathematical statistics) by Y. L. Tong English Dec. 1980 ISBN: 0126949506 244 Pages Some probability inequalities for multivariate gamma and normal .
